

Stillman Valley Fall Festival

Dear Parade Participant:

We are looking forward to the 2021 Stillman Valley Fall Festival and are very pleased that you will be able to participate in this year's Parade on Sunday, September 26th at 1 pm.

Please see the enclosed map for the parade route. This route will return the parade participants back to the High School where they started. **All entries must return to the High School grounds.** All entries must cross Route 72 and go toward the High School.

Parking for participants will be in the grass by the baseball area behind the High School. Float decorating must take place behind the High School. **There will be no car traffic allowed past the check-in to the main parking lot after 10:00 am except for vehicles that are in the parade.** The front entrance to the high school will also be closed at that time. **Please remind anyone participating with your group.** This is for the safety of everyone.

We are assigning the position in the parade on a first come first served method for the general parade participants. This means the earlier you get to the check-in, the closer you will be to the beginning of the parade. Entrants will be given their "parade display number" at the "Check-in" point. This number is to be attached to the front left side of the entry for the announcer to see. This will be on a sheet of paper so please bring supplies to attach it to your entry.

Float entries will be NOT be judged this year. Float entries are welcome but due to time and volunteer restraints, no judging will take place.

We will also not be collecting information to be read as the entry passes by the stage. Todd Wills will be announcing the parade as you pass.

Check-in will begin from 11:00 am to 12:30 pm. The Parade will start at 1 pm.

If you want to contact me with questions on the parade, send E-mail to:
