2022 Stillman Valley Fall Festival

Celebrating **85 Years**

Welcome to the 85th Annual Stillman Valley Fall Festival presented by Stillman Bank! During the weekend of Sept. 24-25, Stillman Valley is transformed into this exciting family-friendly event. Best of all, admission is free! The theme of this year's festival is Promoting our own. The committee will recognize the many small business in the Stillman Valley area as the Parade Marshals. Look for them in the parade.

The committee has been working hard to piece things together in this changing environment. Carnivals were hit very hard during the past couple of years, and many went out of business. Having a carnival is now out of reach for our small festival. We will be checking every year just in case it gets back into our price range. We are working to build a Kid Zone as a replacement so look for that this year in the Outdoor booth area. Games will be reasonable in cost and the focus this year is on age 8 and under. We hope to expand this next year with more games. Many of the existing events are planned throughout the weekend, including an Antique Tractor & Steam Engine Show, Car Show, Indoor Craft Show, Horticulture Show, and some Live Music. One item that is returning is the popular Quilt Show in the Jr High. We hope to continue to keep this each year. Please thank the organizers of this when you go to see the wonderful quilts.

Another item that greatly increased in cost is the Fireworks show. Costs have doubled for this event, but we did have some wonderful sponsors that are helping us this year. We also received some public donations from the jar placed at Casey's. Thank you to all the donated to keep this event going! They will be in the location near the Festival area and should be visible from the downtown area. These will be on Saturday night at 8:30 pm.

We will also have Movie in the Park on Saturday night right before the Fireworks. This event is hosted by Holcomb Bank and will be showing the movie "Little Rascals" at 7 pm. Bring your lawn chairs!

The ever-popular Fall Festival Parade will be held on Sunday, Sept. 25 at 1 pm. We also have all new musical lineup with 3 bands that have never been here. Let them know we are happy they are here.

Thank you to all the 2022 Fall Festival sponsors, especially Stillman Bank, Sisson's Tree Service, Village of Stillman Valley, Byron Bank,

BE A FALL FESTIVAL VOLUNTEER

The existence of the Stillman Valley Fall Festival is dependent upon involvement from the community. We are looking for anyone who has ideas, some extra time, and a desire to get involved! Without our volunteers, a festival of this size would not be possible. We are always looking for help and event chairs to help share the work. There are several areas of interest to choose from and the steering committee members are anxious to hear from you. This is the perfect time to share your comments and suggestions! Our meeting are open to the public and we are always looking for ideas that are feasible within our limited budget. During the Festival this year, you will see all of our current volunteers wearing a shirt provided by the sponsors listed on the back. Please take time to thank them for helping out with the Festival costs.

All Fall Festival volunteers receive free water while you work. Plus, all volunteers are invited to the Festival pizza party on Oct 13th.

For more information or if you are interested in becoming a volunteer, please email the steering committee at info@stillmanvalleyfallfestival.com

When you see one of our volunteers this year in their nice shirts, make sure you thank them for helping with the Stillman Valley Fall Festival. We could not do it without them.

PROMOTING OUR OWN

“The Stillman Valley Business Group was formed in 2021 as the brainchild of Charles Schaeffer and Silene Walters. They noticed that most communities had a Chamber of Commerce, but not Stillman Valley. After much trial and error for the first 6 months, the group has seen consistent growth recently as more members of the community are able to get involved. The group has many objectives, including supporting the community, encourage networking amongst local businesses and business owners, and creating awareness for the village of everything that Stillman Valley has to offer to its community. The group has already conducted a few projects, such as food drives. However, they are hoping to continue to grow and support the community in larger ways in the near future. We offer monthly business meetings, as well as quarterly after-hours events. All meetings and events are currently open to the public. Anyone that would like to attend can follow our Facebook page for more information, or reach out to Charles, Silene, or Micki White. After hours events are announced on Facebook, while business meetings are conducted the first Thursday of each month at 2:30pm at Village Hall, for those who would like to attend.”

Here is a listing of some of the members. Let them know you saw their name in the Booklet!

HIT AND MISS ENGINE AND ANTIQUE TRACTOR SHOW

Hit and miss engines on display are neat to check out.

Something that is often overlooked by Americans is our agricultural heritage. In the early days, agriculture was a way of life that every person

needed to live. Most of us wouldn't have to look far to find a family member who participated or who still participates in some type of agricultural activity. Stillman Valley takes pride on its agricultural heritage, which is why every year there is a Hit and Miss Engine and Antique Tractor Show held during the Stillman Valley Fall Festival.

Everyone is invited to come join us on Saturday and Sunday as we celebrate our farming heritage. Spectators can enjoy viewing working displays of hit and miss engines in the Stillman Valley Park. Participants can also observe the tractors that line the streets near the park located behind the Meridian Junior High.

Anyone who has a tractor, hit and miss engine, farm equipment, garden tractor, or any other type of farm related item is encouraged to display with us. We strongly encourage you to stop by to see some of the equipment that advanced farming to what it is today. As always, the show will be held rain or shine and is free for participants as well as for spectators. For more information contact Todd Hall (815) 262-2650, Ron Hall (815) 262-4728, or Brent Pearson (815) 997-2295.

FIREWORKS RETURN!

We are excited to announce we brought back Fireworks this year! They will be held on Saturday night at the new location. They will be launched from just north of town by the cemetery at 8:30. They should be visible from downtown and behind the Jr, High School. The rain date will be Sunday night.

JOIN US FOR THE 29TH ANNUAL

SWEDISH PANCAKE BREAKFAST

SATURDAY, SEPTEMBER 24TH FROM 7-11 AM
103 S. MAPLE ST., STILLMAN VALLEY

The parade route begins by leaving the High School parking lot on South Pine and continues North on Pine Street for five blocks, then going East on Main Street. It continues on Main Street to Meridian Road. The Parade will officially end when it gets past Route 72. The return route to the high school will be along Meridian Road to the east entrance of the high school and back to the parking lot. Groups may stop and disperse at the intersection of Pershing and Meridian.

Due to safety concerns from the officers directing traffic, all parade participants must continue across Route 72 onto Meridian to reunite with family and friends.

IF YOU ARE IN THE PARADE AND GOING TO THE HIGH SCHOOL: The road in front of the High school is closed for safety reasons. All parade entries that are gathering at the High School should use the back entrance to register for the parade. If you are dropping someone off that is going to participate in the parade, you can park in the back by the baseball fields or drop them off at Highland school. The only traffic past the check-in point will be entries in the parade. Again this is for the safety of all the entries in the parking lot.

Thanks for your cooperation and we hope to see you at the Parade!

STILLMAN VALLEY LIONS CLUB CONTINUES ITS SERVICE TO THE COMMUNITY

The Stillman Valley Lions Club is celebrating our 65th year (1956-2022) of service to our community and will be very visible during the weekend of the Fall Festival. The Lions will again be sponsoring the Lions Lunch stand in the small gym of the Junior High where they also sponsor the Horticulture Show. Prior to the parade, the Lions collect donations for the Lions of Illinois Foundation Candy Day which supports activities for persons with visual and hearing impairments. The Stillman Valley Lions make considerable contributions to the Fall Festival Committee, Center for Hearing and Sight Impaired, Tornado Disasters and Village of Progress. We provide community service hours for Stillman Valley High School students.

The Lions Club International was formed as an organization to support the blind and later the hearing impaired. Locally their mission includes fund raising and working together with the committee for needed projects. Some past projects include aluminum can recycling to support Meridian

Education Foundation, sponsoring local girl and boy scout troops, supporting Julia Hull Library and Meridian School District Library to purchase award winning books for children, support Bread of Life, hearing aids, providing senior high school scholarships, and participating in Stillman Bank Cardinal Community Christmas.

Officers include: President Dan Janes, Secretary Marty Typer, and Treasurer Tom Goral. Other members include: P.J. Caposey, Carol Dotzel, Udel Foss, Jocelyn Hazlip, Joe Hazlip, Ralph Hoekstra, Carol Hoekstra, Brad Hollandsworth, Warren Ippen, Patrick Janes, Liz Johnson, Ron Morris, Zach Oltmanns, Rose Reinstra,

Bruce Roe, Al Unger, Jack Whaley, Karen Marsh, Ashley Rippentrop, Kathleen Bierman and Charles Schaeffer.

Both men and women are warmly welcomed in our club. Meetings are held the first Wednesday every month at the Wooden Nickel, downtown Stillman Valley at noon.

For further information call Dan Janes (815-703-3709), Marty Typer (815-742-1876), or Carol Dotzel (815-645-2571).

The Stillman Valley Lions Club is looking for members who have a desire for "volunteerism"

We have many opportunities for community service such as "Adopt-a-road" pick up, collecting used eyeglasses & hearing aids. The Stillman Valley Lions appreciate the community support of our fundraisers such as selling roses and fundraising dinners because 100% of the money collected from the community is invested in service projects. Stillman Valley Lions Club is a way for individuals and families to join our community volunteer efforts.

Do you have 1 hour a month? 1 hour day? What can you do to help our community? Look for our article and contact a SV Lions member today!

The Fall Festival Steering Committee would like to give a special thanks to the Village of Stillman Valley for the use of the room to hold our monthly meetings.
